Hello November!!

Everything is running fairly smoothly so far. We hope everyone is settling in with the routine.

We will continue this year with a joint newsletter to keep everyone up to date on what is happening in the club. Please also sign up for **REMIN** as it is a main form of communication for the club. Lastly if you are not receiving emails, please check that you have not unsubscribed to our emails, or check your junk mail to make sure they haven't been flagged. We will try to send out minimal emails, please take a moment to read through so you stay as updated as possible. Quick updates will be sent thru Remind.

A quick reminder that as the days get colder outside so will the rink, remember to dress warmly.

Can Skate Parent Information

- Dressing Room update - The TV's upstairs have not been working, the omniplex is trying to fix the problem. Canskater's can use Dressing Room 3 to get ready or the bench across from the ice. Dressing Room 1 is for Our PA's.
- Please be sure that skaters are ready to go on the ice at 4pm sharp, (4:30 for PreCan B class). It can be a distraction to the other skaters when the gate gets opened once class begins. We ask that parents do not remove their skaters off the ice until class ends and the coaches have let them off. If there are any concerns the coach will wave you down to come take your child off the ice.
- Please make sure to send skaters in warm clothes and mitts that are not fuzzy, as they stick to the ice. Make sure skates are tightly done up and helmet it on securely.

Information for all

- **IMPORTANT REMINDER** - Please make sure you sign in/out using the QR code on the omni 2 door, there are also extra QR codes that you can keep with you, hanging on the bulletin board. And please make sure you are wearing a mask. These are regulations set forth by Skate Canada, AB Health and/or the Omni-plex.
- **Mandatory Fundraisers** - This year we are doing Cash Survivor & Raffle books as our MANDATORY fundraiser. The final draw for Cash Survivor will be held on December 9th at the Santa Skate and the new raffle books will be handed out that day as well.
- **Fundraisers** - We are also 2 other fundraisers right now. These ones tend to sell themselves! Both the Purdys and Wilhauk's forms were handed out recently. If you are looking for forms or a Purdys catalogue I placed them in the music room along the window in Omni 2. These fundraisers are how we keep our prices from continually going up, and we thank you for helping in this area. This year as an added bonus, the top seller of both Purdys and Wilhauks will receive a prize! Purdys - have orders submitted online preferably. Wilhauks - have everyone make checks out to you, and you write one check to Drayton Valley Skating Club to cover all the orders. Please have all forms/orders and payments in by November 15th. You can hand to Nicole, Jenna or Jenise, or place in drop box.
- **Drop Box** - This is the brown box with the letters DVFSC on it in Omni 2 beside the bulletin board. It is right above the fire extinguisher. Any papers or payments that you need to hand in can be placed in there if you are unable to hand to Nicole.
- **Volunteer Info** - We noticed there are issues with the volunteer page not asking everyone to select a position. We apologize for any inconvenience this may have caused. Please take a moment to log in to your online account, and select a position. You can do this by going to the registration page and along the left side click "Add Volunteer Position". From there you can scroll through and see all the positions available. Click "See Details" for a brief description. Click the name of who will volunteer and click "Register".

Thank you to all the skaters, coaches, parents and volunteers for working so hard to make this a great skating season, we could not do it without you all!
And a big Thank you to all our PA's, you guys are doing amazing!

Can't believe we are already moving into November!

Thank you for investing in our 67th Season!
