Happy Thanksgiving!

We have had a great start to our season, and we thank everyone for making it fun and safe! We are hoping everyone enjoys their Thanksgiving, as well as the long weekend.

** Please be reminded that due to Thanksgiving there will be no ice Saturday Oct.12th or Monday October 14th.

Executive:

Our executive is a volunteer group of parents. Meetings are held the first Monday of the month. Please feel free to contact us or attend a meeting if you have concerns. Next Meeting:
November 4 @ 7:00p.m.
Curling Rink Lounge

Our first PA meeting was a success! We want thank all PA's who attended the meeting and who are committed to helping us with the can skaters. This is a very important role, and your help is much appreciated.

IMPORTANT OMNIPLEX NOTE

It has been brought to our attention that there has been a growing concern about the amount of children left unsupervised in the lobby and around the arena. Please be advised, if your child is 10 and under they must be supervised in the arena, and in the arena lobby AT ALL TIMES. If you have a child in skating and bring their siblings please make sure they are supervised at all times. We are aware it is all user groups with kids, however when this does not happen this causes problems for all the user groups in the arena, as well as the users themselves. The Omniplex user group rules are very clear about this. (PLEASE SEE RULES ATTACHED) As a user group we want to make sure we are respecting the omniplex rules and the people who use the Omniplex. Thank you for your consideration in this matter.
