## Battery Drive

In an effort to keep our fees down we are going to do a battery drive. We are looking for any large batteries, ie: Truck, quad, tractor, boat, etc. Batteries can be dropped off at Foundation Dodge in Drayton Valley, please ask for Chris. If you need them picked up please contact Chris @780-621-8701. We will be collecting until May 31<sup>st</sup>, 2020. We appreciate all your help to keep our club running.

## Carnival Practices:

Our carnival practices are in full swing, and all our lines are coming together nicely. We are enjoying watching the skaters, and look forward to the big day! Please be reminded that we need all the skaters at every practice to have all the lines flow nicely. Everyone is doing a great job working together to make this an enjoyable experience for all. Please also remind your skaters to remember to pick up any items they may have brought on the ice when they are leaving.

\*\*CANSKATE AND PRECANSKATE, please make sure your skaters are showing up for all practices on time, with skates tied correctly on proper feet. Too many skaters are coming on the ice with loose skates and this can cause injuries to ankles. Thank you for your consideration in this matter. \*\*

You will also be able to purchase tickets in the lobby during regular skating hours on February 18<sup>th</sup> and 19<sup>th</sup>.
