IMPORTANT ANNOUNCEMENT

Please be reminded, if you have children skating and you have their siblings with you at the arena they **MUST** be supervised **AT ALL TIMES**. This is our second warning (for our user group specifically) and we must follow the rules set in place by the Omniplex as a User Group. We would appreciate that our user group would show respect of the rules set in place by the Omniplex. These are for the safety and wellbeing of our own users and others who frequent the Omniplex. We have previously sent out an email with the rules attached, if you are unfamiliar please review them at your earliest convenience. Thank you.

PRE/CANSKATE NEWS

- Parents please remember we need you to stay in the arena while your pre can and can skaters are on the ice. This is very important and a safety concern. Thank you for your consideration in this matter.
- Please also ensure your skater has been to the bathroom BEFORE they get on the ice.
- Jersey Day will be held on November 19th and 21st. Please remember to wear your favourite jersey and celebrate sports week.
- On November 19th Trina will be having the PA`s who have been working with your kiddos show off some of the skills they learn during test skate time.
- The test skaters are having a solo night on December 13th, feel free to bring your skaters out to watch and cheer them on.

TEST SKATER NEWS

- Solo night will be held December 13th, during regular skating time 4-6:15. If you have a special time request please speak with your coach ASAP. Also please keep in mind we will do our best to give you your required time slot, but cannot guarantee.

PA News

To all PA's: Please make sure you are dressed appropriately while you are out on the ice helping with Canskate. This means warm, and black or dark sweaters that you make sure you keep on while skating. This is important so we are able to identify you as a PA out on the ice. Thank you.

Please remember to wear your skating dresses for sports week on November 19th and Jerseys on the 21st.

We are looking forward to a great month of Skating in November, and all our upcoming exciting events.
